Mineral Rights Conveyance Request Form

As a mineral owner, BRP LLC ("BRP") prefers to maintain its mineral ownership. However, we will consider a sale of all or a portion of our mineral interest with the understanding that this is an accommodation, not an obligation on our part as the mineral owner. Thus, BRP reserves the right to accept or reject any submitted proposal. All BRP mineral conveyances will be by a quitclaim deed or a deed without warranty and are subject to the following:

- 1) Buyer will pay a \$5,000.00 transaction fee.
- 2) Buyer will pay an acreage fee, based on a geologic review of commercial mineral potential as defined in a Terms Letter.
- 3) Buyer may be required to provide a current Environmental Site Assessment report.
- 4) BRP will retain an eight percent (8%) royalty interest on all future mineral development and certain transactions may exclude certain minerals.
